MANUFACTURERS

Nutrien Solutions is the nation's most highly networked herbicide distributor. We have close relationships with most major manufacturers so that we can provide you with a broad selection of products to help you achieve your program goals. These manufacturers include:

- BASF
- Bayer
- Corteva
- Loveland Products
- Nufarm

Vegetation Management Specialists

Nutrien Solutions is a different kind of distribution company. The cornerstone of our success is our highly educated and trained field staff. We employ a variety of seasoned natural resource professionals, including foresters, aquatic plant managers and utility specialists. Our goal is to use this experience and commitment to help clients stay ahead of the curve in the vegetation management field. We provide solutions for forestry, aquatic, utility, railroad, roadside and rangeland management projects throughout the United States. We are the country's leading vegetation management provider, and we're excited to introduce you to everything Nutrien Solutions has to offer.
