## FINANCING THAT'S IN THE FIELD WITH YOU

Competitive

Easy

Flexible

At Nutrien, our primary goal is to help our growers get the inputs they need with fast, flexible and easy capital management strategies tailored to them. Our approach integrates agronomy services with financing solutions to ensure our growers have access to all the resources they need. This integrated approach is at the heart of our commitment to helping growers succeed in an ever-changing agricultural environment.

**Input Financing Line (IFL) Prime** is a specialized product for customers who purchase a significant amount of product from Nutrien Ag Solutions and have a strong credit history. Qualifying customers receive lower, market competitive prime based rates.

### IFL PRIME PROGRAM:

- Program Rate: Scotiabank Prime Rate + 2.50% APR or Prime + 3.25% APR based on credit history
- Program Due Date: February 28, 2026
- Growers must purchase and be invoiced for product between February 1, 2025 and July 31, 2025 to be eligible for the program

### OFFER CONDITIONS

- To qualify for this program customers must meet the following eligibility criteria
  - Minimum \$500,000 in purchases with Nutrien Ag Solutions and
  - Minimum spend of \$50,000 in each of seed, chemical and fertilizer or
  - Registered for the Nutrien Ag Solutions' 2025 Sustainable Nitrogen Outcomes (SNO) program
- Interest is calculated and charged daily, from date of purchase to date paid

**APPLY TODAY**

- Financial disclosure required for credit limits of \$500,000 or more; security interest may be registered on credit limits over \$20,000
- Interest is charged at 18% APR, compounded monthly, on all past due balances beginning March 1, 2026.

Financing is offered in conjunction with  Terms and conditions apply.

Customer consents to the collection, use and disclosure of customer's information (including any personal information and transactional sales data) by Nutrien for the purposes of verifying the customer's eligibility for the special promotion.
